Thursday 8<sup>th</sup> January 2026

Dear Parents/Carers,

**RE: Severe weather/School closure procedures**

As you may be aware there is currently an 'amber weather' warning in place for tonight and tomorrow. The forecast includes potential significant snowfall and potentially hazardous conditions. We are therefore writing to clarify our process should there be a risk of partial or full closure as a result.

We always do our very best to remain open if safe to do so. Any decision to fully close or partially close is not taken lightly and is subject to many factors such as:

- Condition of the school site – safety and accessibility
- Availability of heat, light, power & water
- Availability of staff

These factors need careful consideration and therefore if there is any need to close or partially close school as a result of any extreme weather, we will make that decision by 7am tomorrow morning and communicate this to parents and carers. This will be shared via the following means:

- MCAS app
- Email
- School website [St Laurence's CE Primary School - Home](#)
- Coventry Council <https://www.coventry.gov.uk/schoolclosures>
- Local radio
- Facebook Page (Send us a friend request: <https://www.facebook.com/share/1Ccd6P4fqE/>)

With Kind regards

St Laurence's CE Primary School
