Friday 4th September 2026

Dear Parents/Carers,

It has been a privilege to welcome the children back to school this week, especially those who are joining us for the first time. So far, we have had a lovely start to the school year and the children have been gradually settling back into school life. We have had a number of new children, including those in Reception who have been a delight to meet.

Usually, I will send out a newsletter every two weeks with various updates, information and photographs of children engaged in their learning. As the children have only come back for three days, I thought I would write to you to officially welcome you to St Laurence's for our new academic year 2026-2027.

All staff attended school on Tuesday for our Teacher Training Day where they spent the morning completing the statutory Safeguarding training and during the afternoon, they completed Allergy and Anaphylaxis training due to Benedict's Law being implemented by the government on September 1st.

As always, we continue to strive to make St Laurence's the best choice for parents by ensuring children feel safe, cared for and can flourish in our learning environment. If you ever have any educational concerns, please call the school office to make an appointment with the class teacher or if necessary one of our senior leaders.

The safeguarding team comprises of myself, Mrs Gaylor, Mrs Parker-Smith and Miss McElroy. There is always one of us available, we take any concerns raised very seriously no matter how small or big. Again, if you are worried about the welfare of a child or their family, please get in touch via the school office.

Have a lovely weekend and look out for more information on the first school newsletter which will be sent out on Friday 11th September.

Yours sincerely,

M. Cuskelly

Headteacher
