Dear Parents/Carers,

I am delighted to be able to share with you the outcome of our recent two-day ungraded Ofsted inspection. This mirrors the SIAMS report with many positive comments and has highlighted only one development point.

As this was an ungraded inspection, the inspector has not been able to give a judgement against each area, however she did agree that the school's Self Evaluation Form is accurate. Leaders shared the following judgements against each of the areas with the inspector:

Quality of Education – good with outstanding features

Behaviour and Attitudes – outstanding

Personal Development – outstanding

Leadership and Management – outstanding

Early Years Foundation Stage – outstanding

Feedback at the end of day 2 of the inspection was shared with the Senior Leadership Team, Governors, Head of Education, CEO, Board of Trustees and the Education Standards, Performance and Governance Lead from Coventry Local Authority. Feedback from the inspector evidenced that the school is currently in a very strong position. She was particularly interested in what the school does to support pupils with SEND, pupil premium and the lowest achieving pupils. This was commented on as a strength of the school.

We are planning to hold a celebration of the outcome of both of our inspections with parents, carers and children next summer. In the meantime, please take a look at the report attached with this letter.

Yours sincerely,

M. Cuskelly

Executive Headteacher
